Welcome to our Citizens' Festival and Open Day

The German Bundestag is celebrating 75 years!

Parliament invites you to join in the spirit of “75 years. Living democracy” at a citizens’ festival in the parliamentary district on 6 and 7 September 2024, and will open its doors to visitors on 7 September 2024.

Be our guest and learn about Parliament’s eventful and interesting history, as well as how the parliamentary groups, groupings and administration work. Meet Members of the Bundestag and staff and discover an informative and diverse programme of events for young and old alike in and around the Reichstag Building, the Paul Löbe Building and the Marie-Elisabeth Lüders Building, along with the Exhibition on Parliamentary History in the Deutscher Dom at Gendarmenmarkt.

Take the unique opportunity to receive a tour of the plenary chamber. On both days, you can round off your visit by enjoying a journey through time via a film on parliamentary history on the banks of the Spree.

The celebrations will close with a public sing-along concert with various guests in the parliamentary district on 7 September 2024.

Admission is free of charge.
